[illegible]

Looking North from
South side of Dealy Plaza

View of man holes across
Dealy Plaza from Commercial
Street side looking North

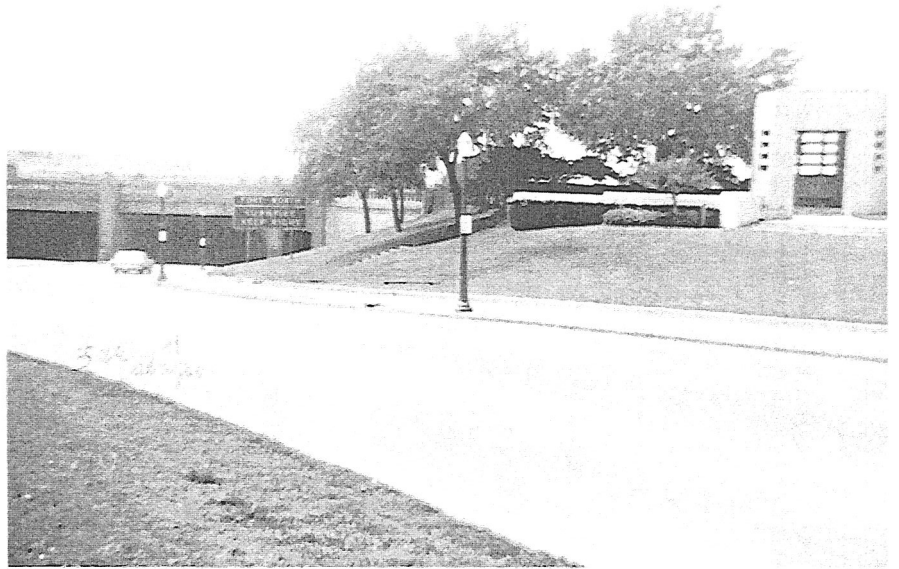

^{fail.}
all pictures taken from
these windows

OCT

57

City car ~~and~~ that was leaving
after checking man hole on
Elm at west end of Triple Under
Pass

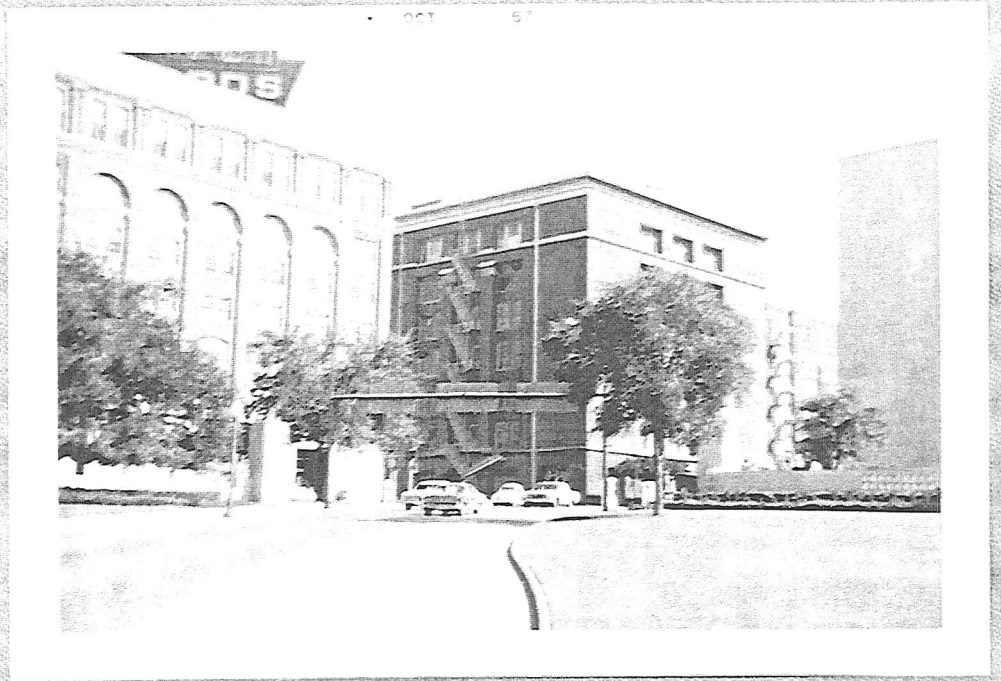

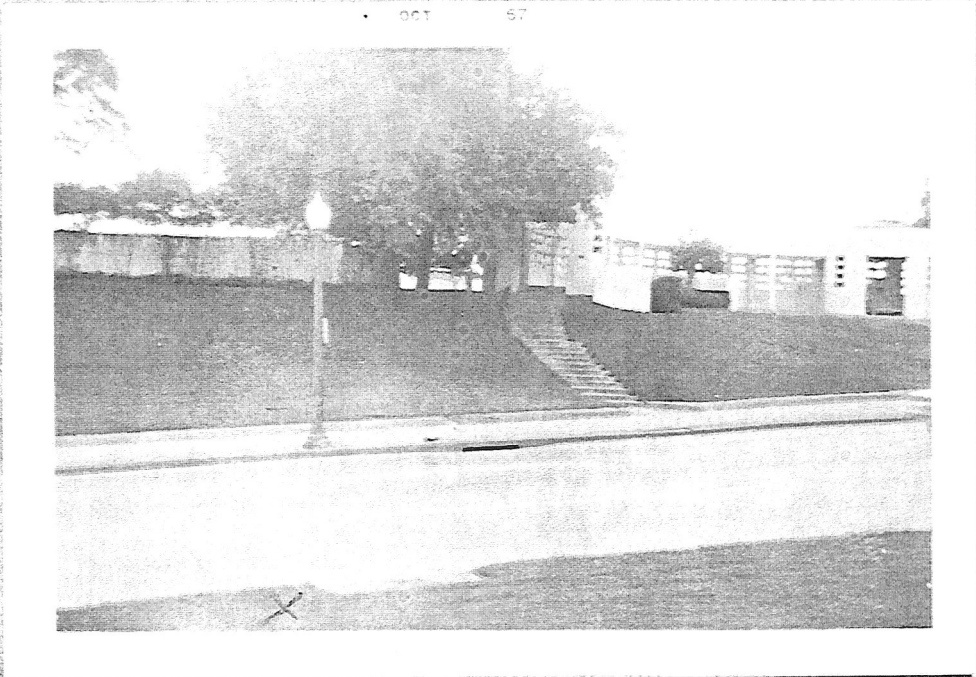

T S B D Entrance Deal - Lex
Bldg and Live Oak tree

T S B D Entrance and view
of first 4 floors of Lab-Lex
Bldg.

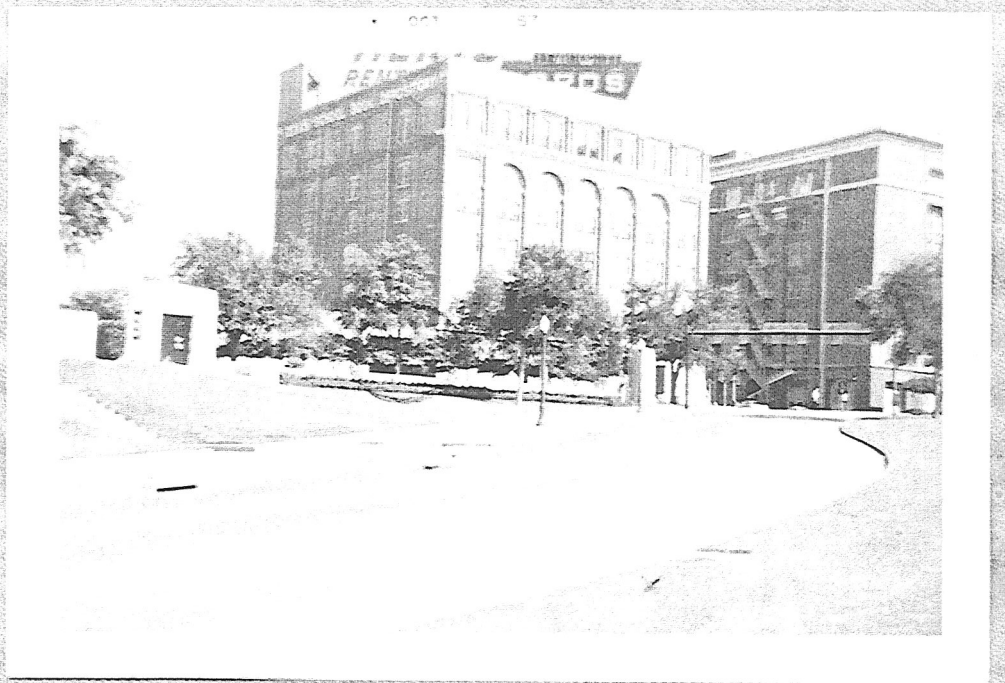

X Mark spot where brain matter
etc was found

Looking Northwest from
South side of Dealy Plaza

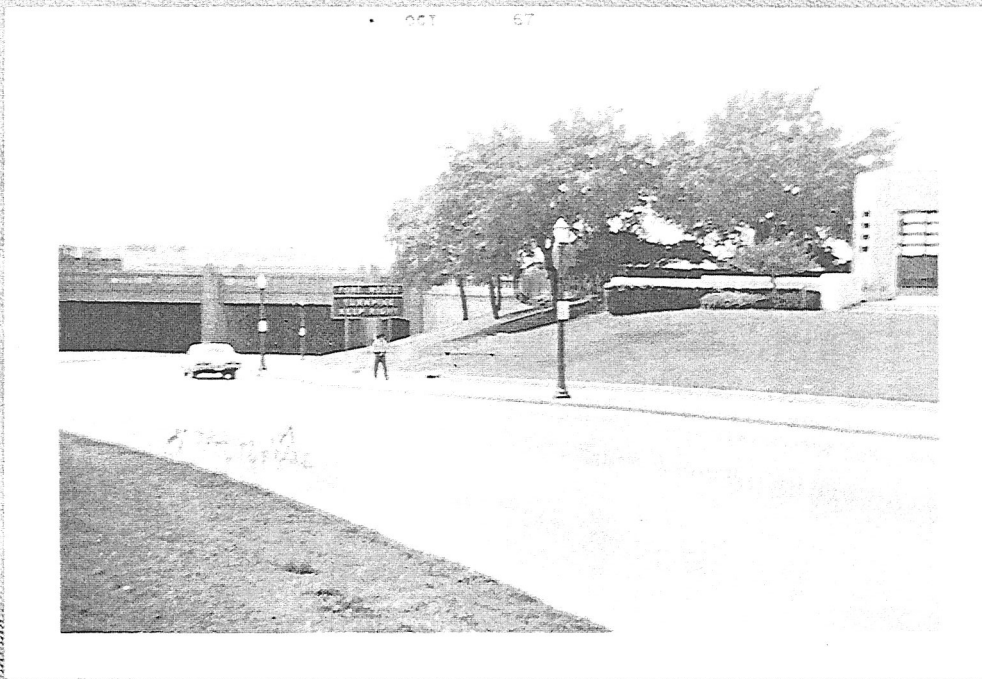

x Marks the spot where
Presidents brain matter
and parts of his skull were
found. (different angle)

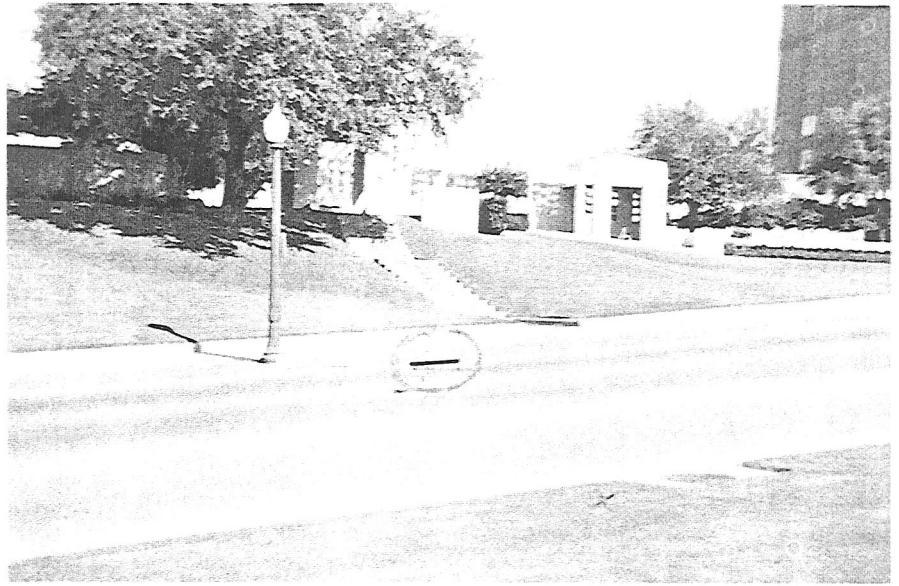

○ marks where trucks back
in and deliver, shot from
here would sound like from
a curve and would have
cleared sign that was in the
middle

View from South side of
Dealy Plaza

Different view for throat shot

x marks spot where,

President's brain matter was
found on south side of Elm

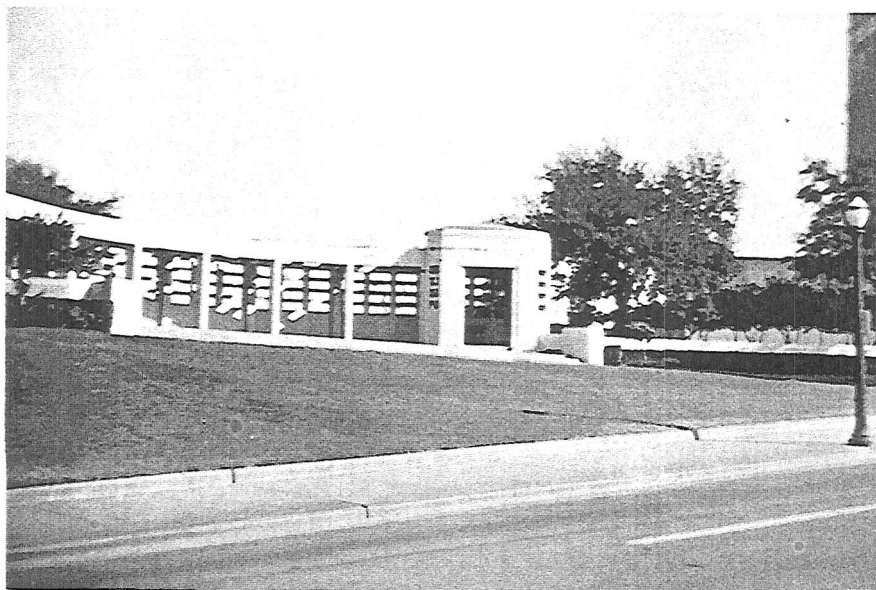

O marks gutter shot that
would have been possible

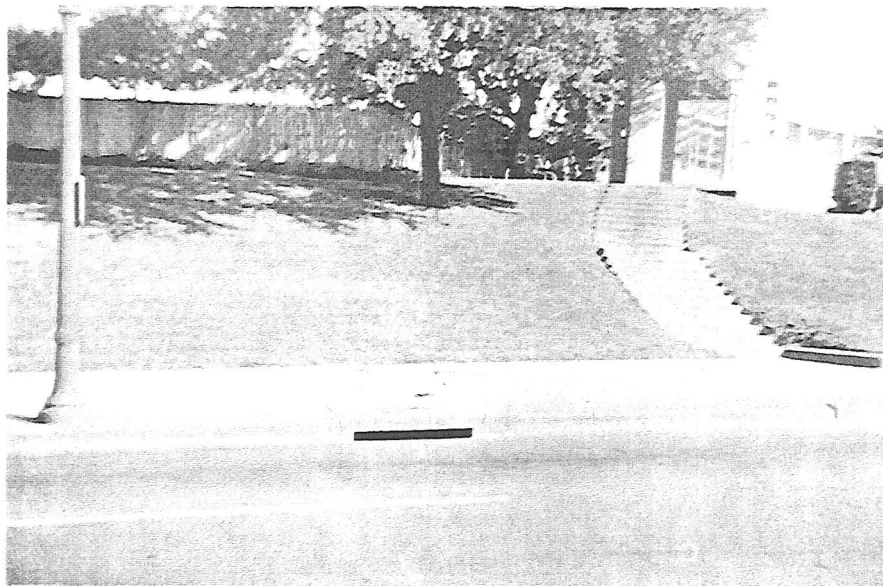

a back shot could have
come from any of these
places

and can be reached by
outside stairs
